

# Bassett and Marine: experience that counts

**B**assett Mechanical's experience in the marine market goes all the way back to World War II, when Bassett built systems on submarines, merchant ships and other U.S. Navy and Coast Guard vessels. Following this tradition, we continue to work on military, commercial and civilian ships — doing everything from complete design/build turnkey systems to service and maintenance work.

## The work we do:

- Design/Build turnkey systems
- Shipboard refrigeration
- Seasonal drydock service and maintenance
- Service/maintenance work
- We're a Carrier Transicold Marine parts dealer
